

CERTIFICATE IN INTERNATIONAL BUSINESS

Key Advantages of the Certificate in International Business (CIB):

- Students develop proficiency in another language. The language skills acquired will allow them to integrate professionally, academically, and socially with people around the globe.
- Students study and learn about international and global business practices in the international courses. This knowledge will give them a competitive advantage when they start working in a dynamic and global business world.
- Students study or work abroad. This in-depth, cultural experience gives them valuable cross-cultural competencies that are highly sought after by employers.

CIB requirements:

(Consultation with your CBA academic advisor is highly encouraged to meet requirements.)

1. Advanced foreign language study, Level 4 or the equivalent of Level 4 in a foreign language sequence offered by the Department of Modern Languages.
2. An additional (6) credit hours in upper-level language courses in a single language (see academic advisor for complete details).
3. World Regional Geography (GEOG 100)
4. Required international courses (12 credit hours)***
 - a) International Marketing (MKTG 544)
 - b) International Management (MANGT 690)
 - c) International Financial Management (FINAN 643)+, or International Economics (ECON 681), or Development Economics (ECON 682)
 - d) An approved international course in consultation with your academic advisor.
5. An approved study abroad experience/student exchange program or an international internship (summer, semester or year) that carries a minimum of (3) credit hours.

Notes: *** (6) credit hours must be international business courses.

- + Finance majors are encouraged but not required to take FINAN 643
- Students must earn at least a 2.5 GPA on courses taken to fulfill the requirement of the CIB.
- At least fifty percent of the credits that apply to the certificate program must be earned at K-State or an approved university affiliate of K-State in another country.
- Certificate must be earned concurrently with degree. It cannot be completed after baccalaureate degree has been granted.
- Certificate will be noted on the transcript.
- The number of students admitted in the CIB will be based on resource availability.
